

The Honor Code

Parent Agreement

Bethel Christian School recognizes that to implement its mission, the school and parents must enter into an alliance. To be productive partners in this alliance, parents must understand and accept the school's mission and also the means by which this mission is carried out.

Mission Statement

Bethel Christian School provides every student with a non-denominational, Christian education with the highest academic standard.

Expectations of Parents

Parents are expected to participate actively in their child's education.

- Parents are expected to attend parent conferences and parent meetings.
- Parents are expected to provide positive learning conditions at home and to assure that their child's home assignments are completed in a timely, appropriate manner.
- Parents who have questions or problems concerning their children are expected to communicate with the school in the following manner:
 - 1) Parents should first contact the faculty member in whose area the question has occurred. They should make every effort to resolve their question at that level.
 - 2) In unusual circumstances, when the faculty member has not been able to resolve the situation, parents should contact the Administrator.

I understand and accept the school's mission and will see that my child/children abide by the Code of Conduct and Dress Code. I agree to support the school in its implementation of these policies.
